

SFNA Annual Report

Donations in 2015

John Studebaker C76 said to his sons, "...always give more than you promise" and with those words was born a Golden Rule for generations to live by. Once a year we pause to thank those individuals who have supported the operations of SFNA by donating above and beyond the cost of an annual membership. Those generous donors are listed below and on the next page. If we have misspelled your name, we are truly sorry. Please contact the SFNA office right away so that we can make that correction in our records.
