

We Need Your Help!

The Studebaker Homestead Project is underway and we are asking family members if you would be willing to volunteer your time and services to help us update and complete projects needed in and around the cabins on the Homestead. Work can be done at your convenience. This will greatly help the SFNA since funds are limited and would mean more that the family is willing to help this project come to life.

The following services are needed:

- Electrician* - *Landscaper* -*Insurance Agent*
- Plumber* -*Carpenter* -*Accountant*

Please fill out the Volunteer Form below and return it to:

SFNA, 6635 S. State Route 202, Tipp City, OH 45371
